CHICOD HIGH SCHOOL

ROUTE 3, BOX 378

GREENVILLE

NORTH CAROLINA

Foreword

Our school years are stages of growth and transition. The direction and form in which the individual grows greatly depends upon his high school.

Through athletic, scholastic, and social activities, Chicod High is dedicated to developing the individual. Ever since enrollment in Chicod School we, as students, have been constantly developing. We have experienced growth in body, knowledge, character, responsibility, and wisdom.

As we have grown so has our school. This year Chicod has not only enlarged its enrollment, faculty, and classroom facilities; but by this physical expansion our school has increased in its importance to its students and the surrounding community.

To the growing students of a growing high school, the Senior Class presents the 1966
CHICOAN.

Gladys.

I have enjoyed going to school with you these past two years. I wish you all the luck in the future. I'll always remember all the times me, you, & Evelyn had good luck with JFF! Please writing it's kind of funny on this dark day! Right as friends

MRS. BARBARA SWAIN

Dedication

An energetic step, a quick wit, and a warm smile--these are the trademarks of the teacher we honor. She is a rare individual, who not only dedicates herself to the teaching profession, but to her students as well. She encourages us to develop our talents and abilities to the fullest extent. Student problems always receive her eager attention and prompt advice. Often, her lunch periods and recesses are devoted to make-up work. In addition, as Advisor to the Annual Staff, she diligently dedicates her abilities to the publication of our yearbook. With her determination to use the time and knowledge God has given her for the benefit of others, it is not

unusual to see her scurrying down the halls, busily conducting student-teacher conferences, or vigorously working at her desk.

We, the Senior Class of Chicod High School, wish to express our sincere gratitude and respect for her unselfish devotion and leadership. In appreciation for the years she has spent in our service, we affectionately dedicate the 1966 issue of the CHICOAN to MRS. BARBARA SWAIN.

Gladys. How's you?
 Even know you
 live only while I feel
 as if I've become good
 a friend. I've enjoyed being
 in your home & also in
 Geography. I hope we can
 a few more classes together next
 year and continue being friends.
 good and take good care of
 a friend always.

ADMINISTRATION

The chief administrator of any school must involve himself in all school activities and functions. Some of his many duties are the supervision of the lunchroom, the publication of a weekly bulletin, routing the buses, advising the athletic department, conducting conferences, completing reports, and seeing to the maintenance of school property and equipment.

MR. ARTHUR S. ALFORD

We wish to salute Mr. Alford, the Superintendent of Pitt County Schools, for his unselfish devotion to the youth of our community. He is recognized by all as a man of great ability and foresight, who has done much to improve the educational system of Pitt County.

THOMAS L. CRAFT

Mr. Craft has served our school well in his capacity as Assistant Superintendent. In this position he has worked endlessly to further the educational development of Pitt County.

WILLIAM J. EDWARDS, JR.

Our school is very proud to have participated in the educational career of Mr. Edwards, a former teacher, who now serves our county in the capacity of Assistant Superintendent.

P. T. A. Officers

We wish to congratulate our Parent Teachers Association for achieving standard P. T. A. accreditation:

This organization has worked diligently to raise money for our school by sponsoring the Alumni Basketball games and Womanless Weddings. Appropriations have been made through the years for a cyclorama, a card catalog, lunchroom equipment, and other items beneficial to our school. In addition, the P. T. A. annually aids the Monogram Club in purchasing award sweaters and helps defray the expenses of teacher delegates to the N. C. E. A. State Conventions.

For all the efforts the Chicod P. T. A. exerts to increase the facilities and educational standards of our school, we offer our gratitude and sincere thanks.

President: Mrs. Linwood Clark

Vice President: Travis Smith

Secretary: Mrs. George Boyd

Treasurer: Gentry Boyd

Our principal, Mr. Kelly Wallace, through strenuous effort and work has greatly contributed to the growth of our school. As we look around us we see signs of skill and ability as a leader, teacher, and friend. Because of his loyalty, devotion, and responsible leadership to Chicod School, we, the students would like to express our appreciation for a job well done.

Our Marshalls are elected according to their scholastic achievements, and each one of them can be proud that he is maintaining the highest average in his class. They function as the need arises, whether it be at graduation ceremonies or a PTA meeting. But more important, they represent the scholastically talented of our school.

Beta Club

The Chicod Beta Club has expanded its functions and activities in an effort to better serve its members and fellow students. This expansion consists of informative club programs, a monthly article, "Bits from Beta", in the F. H. A. Bulletin, and various projects conducted throughout the year.

Believing that true leadership is only obtained by serving others, Beta stands as a service organization, dedicated to our school and community.

Officers: Lou Tina Forrest, President; Jerry Evans, Vice-President; Sara Bailey, Secretary; Linda Mayne, Treasurer; Mrs. Annie Bunch, Sponsor.

Those seeking membership in this service organization must have a 90 scholastic average and maintain an 88 for the duration of their high school enrollment. Honorable character and good citizenship are also requirements. Beta urges its members to strive for a creditable record, and to live by the principals of honesty, service, and leadership.

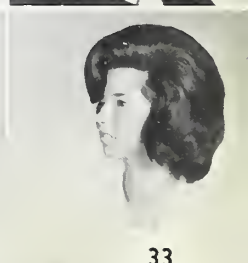

Lou Tina Forrest awards the Beta colors, black and gold, to Gaynelle Weatherly.

Brenda Sutton proclaims the standards of Beta, "Character, Achievement, Leadership."

Members: Gaynelle Weatherly, Jean Cashion Shirley Leary, Nell Paramore, Brenda Reed, Tommy Bess, Ruth Warren, Brenda Sutton.

Student Government Association

Our Student Government is composed of the following members: Gary Stocks, Phillip Buck, and Clyde Elks representing the Freshman Class; Steve Peele, Gaynelle Weatherly, and Coy Buck from the Sophomore Class; Glenwood Haddock, Jerry Evans, and Donna Dixon from the Junior Class; and Norman Cashion, James Gurkins, and Ronnie Mills representing the Senior Class. It is the duty of these students, under the direction of their sponsor, Mr. Kelley Wallace, to represent the students in school affairs, to promote school pride, and to aid in the enforcement of school regulations.

Our annual Basketball Homecoming Dance was sponsored by the Student Government. The Association's members worked diligently to make it an enjoyable and memorable affair.

Future Farmers of America

"Set your goals high, but yet let them be obtainable; then get busy working to obtain these goals." This statement was made to a small group of juniors and seniors in September, 1960. The picture painted by this young teacher of vocational agriculture was met with laughter and disbelief by all eleven members of the class. Half-heartedly, the class members stated they would try.

Success did not come easy, though, for a chapter that was struggling to compete with chapters well grounded in many areas of FFA work.

What began as a laughed-at dream of a first-year agriculture teacher has turned into individual and team success for the past five years. Student awakening, plus the desire to compete and do well, has brought Chicod five straight Over-all Federation Banners, a team each year reaching State Finals, and three individual district honors.

The highest honor came in the school year 1964-65 when Chicod FFA Chapter received one of the highest awards attainable in FFA work--The Bronze National Chapter Award. Only two per cent of the chapters in the United States are eligible for this award, and Chicod was one of the six chapters in North Carolina to receive this coveted award.

These accomplishments were attained through hard work, earnest desire, and concentrated efforts.

STUDEN.

Life at Chicod is not entirely composed of studies and extracurricular activities; there are certain intangible ingredients that only a Chicoan could define. The hurry-scurry to the candy store at recess, the horror of seeing books fly everywhere as one walks down the stairs, the bursting of school spirit at ball games, the hushed reverence during the singing of the Alma Mater--all these small occurrences are mixed in a student's mind with the more significant events into a maze of happenings we call "school life."

In one hectic whirl, 1965-66 passed before Chicoans and was gone almost before they realized it. Although the events are now past history, they will become an integral part of the memories of Chicod High School.

Office Workers

Thanks to Mrs. Wilson, our school secretary, the office workers are an asset to the smooth functioning process of our school.

Brenda Sutton, Virginia Mills, and Kay White, type letters, add figures and take messages during second period.

Rodney Williams and Carolyn McLawhorn are the first period workers.

Elaine Mills and Teb Stocks go for the mail third period.

Fourth period Gaynelle Weatherly and Jean Cashion sort the mail.

Fifth period Sylvia Dennis and Sylvia House answer the phone and take messages.

Loutina Forrest, Brenda Haddock, and Rena Wilson work at sixth period.

ELEMENTARY

To the elementary school the young, innocent child comes with an intense and open mind. He is willing to learn and must be educated physically and mentally if he is to grow into a well balanced teen-ager and adult. The all important basic educational foundation is competently laid by his teachers.

The enrollment of the elementary school has increased to the point of almost making history this year. There are 47 additional students, which has resulted in 3 more teachers, three additional classes, and four more classrooms. Such growth has improved the efficiency of the elementary school program by allowing it to benefit from the school's full time librarian, who divides her time between the elementary and the high school libraries. The library scene above is indicative of the library period sharing the spotlight with music class as two of the elementary student's most popular classes.

Catching girls such as these putting up an attractive bulletin board is a common sight at Chicod.

These two pictures are examples of our total educational program. These children can relax with a fun-filled relay race after having studied their history, concerning Egyptian hieroglyphics.
